## Presidents Message

We have made some changes to the General Membership meeting format in an attempt to make these gathering more enjoyable and informative in the hopes of generating greater attendance and participation in your club's decision process. We will provide food beginning at 6:00pm, change the seating arrangement and encourage constructive interaction and communication between all members and the Board of Directors on any club issues or concerns. We have also established a drawing at each GMM of one current member's name, if in attendance that evening they will win \$20, if that person is not at the meeting the \$20 carries over to the next GMM. Member, R.C. Herfert's name was drawn at the January meeting and was not in attendance, so at the February meeting we will offer \$40 in that drawing. I encourage all members to come to the next GMM to meet your new Board members and get involved in your club.

It was a great honor for me to accept the Macomb County Conservation Club of 2005 award on behalf of all the HPSA members that dedicate their time and money to support numerous conservation projects. Some of these activities include our support of the 4-H programs, Friends of Wetzel Park, Michigan Duck Hunters, Pheasants Forever, DNR conservation projects and the numerous organizations that our members belong to and support in preserving wildlife habitat and conservation of our natural resources.

See you at the Club,  
Joe Burke  
H.P.S.A. President
