## Presidents Message

*The December GMM was well attended for our 2006 Elections of Officers. I am pleased at the interest and involvement of 137 members that participated. At that same meeting appreciation awards were presented to John Santalucia and Don Martz for all their hard work and the money that they saved us in 2005. Huron Pointe also received recognition for our support to the Benefit-4-Kids program and M.S.U.'s 4-H Shooting program, we should all be proud of these achievements and our members that work very hard to provide these opportunities that benefit children.*

**Now that the holidays are over we can concentrate on continuing to improve Huron Pointe facilities and activities in 2006. We have a number of new Board members this year that will bring new ideas and insight to our organization. I could list many things that would be nice to have and plenty of improvements that could be tackled and I am sure each member could add a few more. I am anxious to get started and I will need your assistance. If there is a specific area or event that you would like to get involved in, please contact one of the Board members to volunteer. Those of you that chose to lay low and hide will be contacted in the near future and given an opportunity to select where and when you will dedicate your 20 mandatory hours for 2006. Working together we can accomplish great things for our Club and ourselves. So, if you've been lurking in the shadows, trying not to be noticed, expect a phone call to step up and help out on something.**

**See you at the Club,  
Joe Burke  
H.P.S.A. President**
