

Member News And Notes

To all H.P.S.A Members

I would like to convey my thoughts and feelings that were generated during May's General Membership Meeting. Forty of our three hundred members were in attendance, barely enough to make a quorum. As I looked across the room I saw the faces of the members who care. These same faces are always there when you need them, the guys that give their all to make HPSA a success, they are on the Trap and Skeet fields during the week and weekends, they are on the Rifle Range every Saturday and Sunday, they are creating a World Class Sporting Clay in your backyard, they are in your Kitchen and they are cutting your lawn, cleaning your toilets and wiping up your spilled beer.

During the meeting the Sporting Clays Committee asked for volunteers to help operate the course that you voted for; not a single hand was raised. Help was asked to plant 200 trees that the members voted to buy to benefit our environment and contain noise; not a single hand was raised. Help was asked to cook for the Next General Membership meeting and after a long silence someone raised their hand, he and another member would rather do it twice than to see it stopped altogether. I could go on with other examples of low participation in every activity at our club but I think you understand. To make our Association a success it is imperative that we commit and pitch in whenever we can, ensuring this success. Remember the oath that you took when you were sworn in; pick up the phone and call any one of the Committee Members, your offer of help is expected, and your friendship will not be turned down.

Respectfully,

Eric Scheuer / BOD / CRSO / Range Director / Advertising Chairman

FREE Spaghetti Dinner

Thank you to Carl Cracchiolo for taking the lead and assembling the new 2005 members for this yearly event. This dinner would not have been possible without the help of Tom Turri for his generous donation of all the pasta and grated cheese and John Santalucia for cooking all the sauce and pasta. Many thanks to Jenny Zackow for doing the shopping for the rest of the food and paper goods. She also picked up the 10-22 rifle that was raffled off (won by new member Peter Hamel). A big thank you to Donna Raska along with Jenny who worked very hard preparing the food, serving and making sure everything was full during the dinner and lets not forget new members Walter Pytlak, Jim Mihail, Bob Smith, Dallas Merritt, Carole Lievens, Dan Milano and James Bell for answering the call for assistance. A big thank you to Grace Cracchiols for coming out and helping to serve the dinner. We would also like to thank the 68 members and there families that came out to participate.

Presidents Message

I am disappointed in the response from our membership to pay their dues on time, support our functions and help on clean-up days. All these things help to ensure our existence. The membership dues basically pays for the MUCC magazine subscription and the monthly Newsletters to keep everyone informed of the happenings at Huron Pointe. Some of our members host a breakfast, dinners, trap and archery leagues that the majority of our members do not attend or help out at. All these things contribute to our success or failure as an organization. We need your support in order to maintain the many shooting opportunities available at HPSA. There are a number of members devoting their time and talents to create a Sporting Clays course and provide another source of revenue and a new shooting activity for all our members. We have a great organization here and I am again asking for your support to help us keep HPSA alive and well by volunteering your time, attending our functions and taking pride in your organization.

See you at the Club,
Joe Burke
H.P.S.A. President

Attention Members

We are currently looking to assemble teams of members who would like to donate their time to get the Sporting Clays course up and running. This is a great way for the newer members to get some of their time in. The plan is to start at 4 days a week, 2 during the week and both days on the weekend. The teams would be responsible to open the course, collect the money and fill the traps when needed. All members will be educated on how to operate and fill the machines. Please call J.J. for more info @ 1-586-201-8218.

HPSA Needs Range Safety Officers
