## Presidents Message

What an excellent turn out we had at the February 14<sup>th</sup> General Membership meeting.

101 members attended, that's 41%, and most enjoyed chicken and chili prepared by the Board. The meeting content was interesting and very informative. Our guest speaker was Linn Dulling, MUCC's Environmental Range Stewardship Coordinator. Linn explained the Range E.S.P. created by MUCC to protect Michigan's Shooting Ranges.

John Jacobson and Jim Bell presented a proposal to create a 12 station Sporting Clays field at HPSA. The proposal was reviewed and the membership approved implementation and authorized the Board of Directors to seek financing options. The Sporting Clays committee is very enthusiastic and optimistic about the addition of another shooting sport opportunity at HPSA.

Join us at the March 14<sup>th</sup> meeting, we will provide food beginning at 6:00pm and encourage your input on club issues.

Our annual Wild Game Dinner will be held on March 18<sup>th</sup>. This is our largest fundraiser of the year and we need your support, donations of meat, prizes and work hours will reduce expenses and increase the success of this event. Please contact Don Gallagher ASAP with your donations and hours that you are able to work.

See you at the Club,

Joe Burke

H.P.S.A. President
