Presidents Message

I just returned from a fantastic Bear Hunt in Cooper Harbor, Michigan. I was fortunate enough to harvest a 328-pound male bear, how exciting. Best of all I was able to share this experience with two of my best friends, Tom & Tommy Krycian, they also harvested a bear, but let me have bragging rights with the biggest.

I missed the September GMM and heard it was an "attack the Board of Directors night". I want everyone to remember your Board is made up of dedicated volunteers that perform essential functions for the success of our organization. If you are that upset with the decisions that are made or the records that are kept then you need to step up and run for a position on the Board. A number of current Board members have already indicated they will not seek re-election this December. If you want to make a difference and find out what it takes to run this organization, run for a Board position, it's much easier to sit back and complain then actually do anything that might make a difference.

Nominations of candidates for the Board of Directors are now being accepted. Contact Bob Bollenberghe on (586) 939-0570 or see him at the October 10, 2006 GMM to nominate yourself or another member for a Board position.

The November 14th, General Membership meeting and the November 21st, Board Meeting is canceled due to the Firearm Deer season.

Winter Trap Leagues teams should sign up for times at the October 10th, GMM. More information will be provided at this meeting. December 3, 2006 is the tentative start date of this year's Winter Trap League.

See you at the Club,
Joe Burke
H.P.S.A. President

HERITAGE DAY

A big thank you to all of the volunteers at Heritage Day! It takes some 150 people to run the day, and we wish to thank everyone who stepped in to help.

Despite the rainy weather, we had a good crowd, and all of the kids had a great time with our many events.

Eric Sharp, Writer for the Detroit Free Press, was in attendance. He did his own investigative reporting, and he wrote of exactly what we try to accomplish that day – bringing kids and novices into the shooting sports and other outdoor activities. To read his article go to <http://www.freep.com/apps/pbcs.dll/article?AID=2006608310381>

Again, a big thank you to everyone who helped make Heritage Day such a success!
