Presidents Message

I look forward to another successful year of our shooting sports here at Huron Pointe. I don't know if we can top 2006's accomplishments, but we will do our best. Last year's improvements included: a new doubles trap machine to enhance our ATA program, concrete and insulation in our pole barn to provide a nicer environment for all our Archery leagues, a 13 station Sporting Clays course offering another shooting experience and increasing our revenue, conversion from propane to natural gas and new energy efficient furnaces to reduce our heating costs. We also were able to address a number of environmental issues that will help protect our future and increase the value of our organization.

Soon all our leagues will be in full operation, the Winter Trap league, three adult Archery leagues, Youth Archery, 4-H Archery and pellet gun leagues, a Polar Bear pistol league and a new Sporting Clays league. There is something for everyone on just about every day of the week, so pick one that's convenient for you and your family and join us in one of these Shooting activities.

As I indicated in last month's Newsletter, I will be concentrating on environmental issues like; shot barriers, fencing, drainage, berms and trees to reduce noise, signage, improved security and safety issues to ensure H.P.S.A.'s existence in Lenox township.

See you at the Club,
Joe Burke
H.P.S.A. President

Proposed By-Law changes, scheduled for membership vote at the February 13, 2007 General Membership meeting:

Most changes are just restructuring. The Board of Directors have reviewed all proposed changes and gave their recommendation to approve (FOR) or reject (AGAINST) each as listed below.

- 1- Art: III, Part:1, Pg:2, Sec:3 = **FOR**, allows for new member installation if a By-Laws committee doesn't exist.
- 2- Art: IV, Pg:10, Sec:9 = **FOR**, Changes installation of Officers from January to December GMM.
- 3- Art: V, Pg:11, Sec:1 = **AGAINST**, proposal to allow alternate Board members to vote in the absence of any director at Board meetings. We have not experienced any problem establishing a quorum in past meetings. Alternates are not voting members of the Board and are not required to attend any BOD meetings, current Directors do not want someone voting in their place.
- 4- Art: V, Pg:11, Sec:3 = **FOR**, Condenses words and meaning remains the same.
- 5- Art: VII, Pg:15, Sec:2 = **FOR**, addresses a By-Laws infraction committed by a member of the By-Laws committee, would be reviewed by the Executive Board and not the By-Laws committee.
- 6- Art: XI, Pg:19, Sec:1 = **AGAINST**, New By-Law prohibiting alcohol on any ranges, This is already a Club rule and state law. By-Laws infractions require formal action for the By-Laws committee and the Board of Directors. Club Rules can be addressed less formally and resolved immediately without written protests and formal review meeting and discipline action.
- 7- Art: XI, Pg:19, Sec:2 = **AGAINST**, New By-Law to ban smoking in the Clubhouse before, during and after all meetings, dinners and events. We already have a Club Rule banning smoking during the GMM and again breaking a By-Law requires formal action rather than immediate action to correct the current situation.
- 8- Art: XI, Pg:19, Sec:3 = **AGAINST**, New By-Law to require all HPSA members to also become NRA members which would increase annual dues to cover this cost.
- 9- Art: XI, Pg:19, Sec:4 = **FOR**, New By-Law that states " No employee, independent contractor, or any person getting paid for their services at H.P.S.A. shall be a member of the Board of Directors.
