President's Message

April 2008

I am encouraging all Members to attend the April 8th GMM. This will be a very important meeting that will address the May 1st dues increase, the status of our pending Club Liquor License and we will vote on two new bylaw clauses.

I realize everyone's personal cost of living has increased and so have Huron Pointe's operating costs. The Board is attempting to reduce expenses and are working on a number of functions in 2008 to generate additional income. We have scheduled two Registered Sporting Clays Shoots, four ATA shoots, the MUCC State Archery & Sporting Clays Shoot and a Pig Roast/Shoot partnered with Macomb Pheasants Forever. As always successful events need membership participation in these functions and volunteers to help put them on.

Each of us must answer the question "what is Huron Pointe worth to me"? Not only in dollars, but what am I willing to do to ensure the success of HPSA? We have to pay the bills every month whether you choose to come out every day or just on sunny days in June or August.

Come to the April 8th GMM, bring your ideas, suggestions and your desire to work with us to accomplish these goals, don't bring an attitude that it's us against them: we are all members, we all deserve to enjoy the benefits of belonging to great shooting facility.

"See you at the Club",

Joe Burke
H.P.S.A. President (and member)
