## Burke Blog

I hope everyone enjoyed 2016 and the shooting sports offered at your club. We continue to make improvements to our facilities with your support. This past year we purchased all new 3-D targets for our Archery leagues and course, the Rifle range was renovated and looks fantastic.

We purchased the 38 acres bordering our east property line which will protect our club from development that could jeopardize our future existence.

New Year brings more opportunities to improve our facilities and offer a safe environment to promote all the shooting venues.

Our Archery leagues begin during the first week of January and we have a Pheasant Hunt scheduled, as well as a Super Bowl party. Check out this newsletter for all the upcoming events dates.
