## Burke Blog

Our annual Wild Game Dinner was another huge success, profits were approximately \$35,000. Thank you to everyone that helped, it always seems easier when we have enough volunteers. Don Gallagher and Mark Lietke do a fantastic job of preparing food that

everyone raves about, thanks Don & Mark. On June 24th HPSA will be entering a float in the New Baltimore Ray-Rama Parade. We would like our member's children to get involved to work on the float and participate in the parade. If interested contact Stan Russell on 248-877-3188 or Curtis Boyles on 734-716-9922.

Please review the rest of this newsletter for more information on all the upcoming events: black powder, skeet & sporting clays leagues are scheduled.

## **Friday Night Youth Archery:**

Thanks to Stan Russell for heading up the Friday night shoot and to Teri Seifert for assisting him.

## **Youth Shotgun Program:**

**Michigan Clay Target High School League:** Our shooters from both Anchor Bay and L'Cruese-North are competing for scores and working toward the State Shoot on June 16th at Mason and the July National's in July. We will report at the May & June GMM on how they are doing in the standings.

The League has grown to 45 schools and 975 shooters, thus there will be much more competition this year. Our shooters are part of Conference 3 (L'Cruese-North) and Conference 7 (Anchor Bay).

**AIM:** We have shot our first ATA (by the time you read this) of the season at Birmingham Gun Club on Sunday, April 23rd. The kids did well. Some were a little disappointed with their scores: but, we know they will improve as they continue to work toward State's the end of June and National's in July. Our next ATA is at Blue Water Sportsmen Association on April 29 & May 20th.

Many of our shooters are new to the ATA & AIM and are still finding their way around the competition mind set; but, again with time and practice they will make us proud.

Our **Wavier Shooters** are gaining confidence and starting to hit targets. Many of them have already moved from field 4 to 3, which means they are hitting targets and know what Trap is all about. Safety first, stance and fun.

Come out and check us out and see how our shooters are doing on Mondays. Practice starts at 6:00pm. We are still accepting new shooters.

For more information, please email: [jvcamp01@att.net](mailto:jvcamp01@att.net) or phone 810-364-6321.
